Dear Parents and Carers

I hope you had an enjoyable festive break, and on behalf of everyone at The Brunts Academy, I would like to wish you a Happy New Year.

For those who have had the chance to explore the second edition of our Academy Parent/Carer Newsletter Padlet, I hope you've found it useful. One of the key events highlighted in the newsletter is our upcoming **Parent/Carer Forum meeting**, which will take place on **Thursday, 30th January, from 5:00 pm to 6:15 pm**.

During this meeting, I would like to discuss our current **Attitude to Learning framework**, which we are planning to update for a re-launch in **September 2025**.

This year, we are placing a strong focus on our core value of **Ambition**. Supporting our pupils to become ambitious learners is central to this work. By doing so, we aim to help our Key Stage 4 and 5 students achieve improved outcomes at GCSE and A level, while also equipping our Key Stage 3 pupils with the skills and qualities they need to grow into confident and ambitious learners, ultimately improving their success at every stage of their education.

I believe that updating the **Attitude to Learning framework** should be a collaborative process involving parents/carers, teachers, and pupils. For this reason, I encourage you to bring your son/daughter along to the forum if you are able to attend.

Following this meeting, our teaching staff will explore this initial work further during a professional development session on **Wednesday, 5th February**, alongside another group of pupils. This collaborative approach will help ensure we achieve a shared vision and sense of ownership for this important initiative.

If you would like to join us in the early stages of this work, please complete our **Microsoft Form** to secure your place at the session on **30th January**. <https://forms.office.com/e/yFGxw3ijbY>

We look forward to welcoming you and your child to the forum.

Best wishes

Mr. Chris Fisher

Executive Principal

Be Proud Be Respectful Be Resilient Be Ambitious
