Dear Parent/Carer

The Brunts Academy is moving away from Squid as its cashless system. The new system being implemented is called ParentPay and will be actively used from 1st April 2024. Please activate your account using the details provided below as soon as possible, this can be done prior to the school going live. ParentPay will be used for all payments in school including dinner money, trips, revision guides and music tuition.

During the transition period we advise that you try to run down the balance on your child's Squid account. Any remaining balance on your Squid account will be transferred onto ParentPay.

Parents/carers can add money to their child's account through their secure website or in cash at local stores where the PayPoint logo is displayed. Please note a barcode is required from the school to use PayPoint.

To activate your account please go to [parentpay.com](http://parentpay.com) and log in using the details sent to you by email, this may have gone into your junk or spam folder.

You have been sent a username and password that is unique to you.

You will be prompted to change these when you set up your account. You will require an email address to activate your account. You can add multiple children to the same ParentPay account using the add a child button on your home page.

If you already have a ParentPay account, you can simply login to that account and add your other children via the add a child button on your home page. You will need the activation username and password above to do this.

Please do not hesitate to contact the school if you need assistance.

Yours faithfully  
The Brunts Academy
