10 September 2026

Dear Parents and Carers

We would just like to send out reminders on where to find information regarding Food Technology, just to make sure all Parents/Guardians have read and know where to find information regarding practical lessons going forward. Hopefully this will mean everyone knows what is happening and when.

During the 2-week timetable, your child will have a single lesson one week and a double lesson the other. Students will only cook on their double lesson and recipes will be handed out in the single lesson the week before.

Reminders about food practicals are sent out via our social media page on Facebook and via our parent communication on Padlet. You should receive a link on Arbor to the parent Padlet information. Please make sure you check this weekly, so you don't miss anything.

Dates of practicals will be posted each week, and it is important your child brings in their ingredients on their double lessons. Attached is information on what process we will follow if students fail to be prepared for their practical lessons. We understand that circumstances can change, so please contact us should you need to.

If your child qualifies for pupil premium funding and you wish school to provide their ingredients each week, this needs to be communicated to their food technology teacher as soon as possible. This can be done verbally or via email the week before the practical lesson. Ingredients are ordered in advance as so cannot be provided at short notice.

Please contact your child's food teacher if there are any issues with sourcing ingredients and we will try to help resolve this where possible.

Your help and support with this is appreciated to keep lessons running smoothly and ensure children receive the best learning experience.

Many thanks

The Brunts Technology Team

Part of the Greenwood Academies Trust

The Greenwood Academies Trust is a company limited by guarantee, registered in England and Wales, registered number 06864339.

list of Directors is available for inspection at the registered office, Greenwood House, Private Road No 2, Colwick Quays Business Park, Nottingham NG4 2JY.
