Dear Parents and Carers

Re: Year 11 Parents' Evening – Thursday 19th November 2026

We are pleased to invite you to the Year 11 Parents' Evening, which will take place on **Thursday 19th November from 3:30pm to 6:45pm**. Please note the extended finish time following parental feedback. We hope that this provides additional capacity for appointment booking. The event will be held in the Sports Hall and McBrunts.

This evening provides a valuable opportunity to discuss your child's progress and explore the next steps to support their learning and development as they prepare for their final GCSE examinations.

Appointment Details

Appointments will last 4 minutes, with a 1-minute transition time between each. The school bell will sound at the end of each appointment to signal movement to the next. We appreciate that on occasion there may be the need for a conversation longer than 4 minutes. Should this need arise, please let the member of staff know at the end of your consultation and they will be happy to call you within the next week to discuss further.

If your child is taught by more than one teacher for a subject, you will be assigned one teacher to book with. This helps ensure that all parents and carers have access to appointments.

If your child receives support from our SEND department, our SENDCO/Director of SEND will also be available on the evening. Please feel free to speak to them when you have availability during the event.

Please arrive at school via the entrance off 'Bath Lane', where our main car park is situated. On arrival, please report to the Sports Hall where you will be provided with a map to locate your appointments.

Booking and Accessing Appointments

We are using the same booking system this academic year as we did last. This will be open from Wednesday 7th October at 8.00am. This will close at 12 noon on the day of the event. Instructions on how to book and access the system are attached to this letter.

To book, please visit:

We strongly encourage all parents and carers to attend, as these conversations are key to helping students reach their full potential. Results show us that a strong partnership between parents, students and the school greatly increases the chance of your child achieving their full potential.

If you experience any issues with booking, please contact Jane Bennett at the academy for support. If you make appointments which you are then not able to attend, please cancel these via the booking system so that this frees them up for others to book.

We look forward to welcoming you to our academy on Thursday 19th November 2026.
Thank you for your continued support.

Yours sincerely
